SCGC Junior League is a great way to expand on the beginner skills that have been learned and be able to take those skills to the next level. Our Junior League is 5 weeks- consisting of 9 holes (or a maximum of 2 hours). Instructors will be on the course to answer any questions, make corrections & help critique.

Orientation will be held at 11:30am on the first day of league, either June 17 or 18. The first day, as a group, will be there from 11:30am-2pm. Explanation of how the league will work, expectations, golf etiquette, and a brief lesson will be had on driving the ball, chipping, and putting. From there on, each junior golfer will get a designated tee time for the following 4 weeks.

**We will try to accommodate a foursome when possible but there is NO guarantee! Our goal is to pair groups together by age & skill level to help create the best learning experience for each junior golfer
